Application No. 10/065,212
Filed: September 26, 2002
Attorney Reference No. 2000P19188US

DECISION ON PETITION

This is a decision on the petition filed September 17, 2003, requesting that the holding of abandonment in the above-identified application be withdrawn.

The petition to withdraw the holding of abandonment is **GRANTED**.

A non-final Office action was mailed on December 5, 2002, setting forth a three-month period of response. The application became abandoned on March 6, 2003 by operation of law.

Petitioner states that the non-final Office action was never received by applicant's representative and attests to the fact that a search of the file jacket and docket records indicates that the non-final Office action was not received. The petition is accompanied by a copy of the docket record where the non-received action would have been entered.

Pursuant to M.P.E.P. §711.03(c), it is the petitioner's burden to demonstrate that the non-final Office action was not in fact received at the correspondence address of record at the time it was mailed. The showing required to establish the failure to receive an Office action must include a statement from the practitioner stating that the Office action was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office action was not received. A copy of the docket record where the non-received Office action would have been received had it been received and docketed must be attached to and referenced in the practitioner's statement. See "Withdrawing the Holding of Abandonment When Office Actions Are Not Received" 1156 Official Gazette 53 (November 16, 1993) and M.P.E.P. §711.03(c),

Applicant has provided the required statement attesting to the fact that a search of the file jacket and docket records indicates that the Office action was not received. Further, applicant has provided a copy of the docket record where the non-received Office action would have been entered had it been received and docketed.

Since applicant has made the requisite showing required under M.P.E.P §711.03(c), the holding of abandonment is withdrawn.

The application file is being forwarded to the Technical Support staff for re-mailing the non-final Office action. The shortened period for response set therein will be reset to expire three months from the date the Office action is remailed.

Questions regarding this decision should be directed to Jose' G. Dees at (571) 272-1569.

PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 CFR § 1.181(a)

Sir:

This petition is submitted pursuant to 37 CFR § 1.181(a) to withdraw the holding of abandonment based on failure to receive the Office Action in the above-identified application (Application). The Application became abandoned for failure to timely file a proper reply to an Office Action mailed on December 5th, 2002 (Action). The Notice of Abandonment (Notice) was mailed on July 25th, 2003. See Exhibit A. Since this petition is filed within two months of the mailing date of the Notice, Applicant submits that this petition timely submitted.

Appl. No. 10/065,212

Petition to Withdraw Holding of Abandonment dated September 17, 2003

I, Dexter K. Chin, am attorney for the Applicant. I state that I did not receive the Action. This fact is further supported by a search of the file jacket and docket records. A copy of the docket record where the non-received Action would have been entered is attached herewith as Exhibit B. The docket record shows all Office communications received and docketed within a period of about 6 months around the mail date of the Action, indicating that the Action was never received. Applicant submits that one reason why the Action was not received may have been due to the heavy volume of mail which typically coincides with the Holiday Season.

Since the Action was never received, Applicant respectfully requests the withdrawal of the holding of abandonment and the re-mailing of the Action. It is believed that no fees are due associated with the filing of this petition. The Commissioner, however, is authorized to charge any fees or credit any overpayment to Deposit Account No. 50-2388.

Dated: September 17, 2003

Respectfully submitted,
